Introduction

Floral Tributes

Flowers play an important part of a funeral and can say so much about a person, a loved one, a relative, friend or colleague. They can even evoke cherished happy moments, peoples characteristics or passions.

Floral tributes can say so much at this time when words may be difficult to find. This is why we offer a bespoke funeral flower service, so you can have the choice of how you pay your respects with a personal touch. It's of the utmost importance that our dedicated florist brings comfort to our families through the choice of floral tributes. To work with them, listen to them, and produce exactly what they want.

For all bespoke tributes please ask for an appointment with our florist.

With over 30 years of experience, all floral tributes are created by Bristol based florists Flowers by Rosina May & Flowers by Thea.

Dedicated funeral / bespoke florist.
